

GLOBAL
ROAD SAFETY
PARTNERSHIP

GRSP is a hosted programme of:

The Global Road Safety Partnership Welcomes New Membership Applications

The Global Road Safety Partnership (GRSP) invites organizations from the private sector, NGOs, government agencies, and police to join us in a shared mission to:

“create a world free from road crash deaths and injuries.”

As a globally focused road safety programme hosted within the International Federation of Red Cross and Red Crescent Societies (IFRC), GRSP combines humanitarian values with expertise to address one of the world's most pressing public health challenges.

EVERY
YEAR

GLOBALLY

1,19 MILLION
DEATHS

&

MILLIONS MORE
CRITICALLY INJURED

- **Save Lives, Make an Impact** – Every year, road crashes claim over a million lives. By joining GRSP, your organization contributes directly to life-saving interventions.
- **Access Global Expertise** – Gain cutting-edge insights in advocacy, leadership development, road policing, and safety education to drive effective change.
- **Join a Powerful Network** – Collaborate with 191 Red Cross and Red Crescent National Societies and industry leaders working towards the UN Sustainable Development Goals.
- **Drive Policy Change** – Advocate for evidence-based legislation that strengthens road safety laws and reduces road trauma.
- **Empower Communities** – Support targeted interventions that improve road safety, particularly in low- and middle-income countries where the need is greatest.
- **Enhance Your Organisation's Social Responsibility** – Align with IFRC's humanitarian principles and contribute to a safer, more equitable world.
- **Lead the Change** – Membership offers opportunities to shape initiatives that transform road safety practices globally.
- **Act Now** – Be part of the solution to prevent avoidable tragedies and create safer roads for all. [Join GRSP today!](#)
